

## **2021 Junior Dragster Program – Track Rules**

### **Entry Fee will be \$25.00**

Gate by paved pit area will open for Juniors Dragsters at 9:00 AM.

Program is run under IHRA rules. All cars must pass tech inspection before making a pass. All drivers MUST have a valid IHRA license on file with the track.

All juniors are to be in the lanes by 10:00 AM and ready to run first time trial at 11:00.

Pitting can be done in the staging lanes. You can bring your fuel, generator, cooling devices, air tanks, and leave them in the lanes.

Junior dragsters will NOT be allowed to drive back to the staging lanes on normal point days. Junior Dragsters MUST be towed back at all times.

Time between rounds will be 10 to 15 minutes.

Junior Dragsters will be one class: UNLESS ( there is ten (10) cars in each class)

B Class – 7 – 12 years old

A Class – 12 – 17 years old

Class will be run on a sportsman ladder.

First round ladder is by reaction time from the second time trial (the round that counts).

Second round ladder will be generated from reaction times from first round. This ladder will be used until conclusion of event.

Lane choice is determined by reaction time from previous round. Buy run will be determined by ladder. In the case where someone would receive a second by run before everyone has had one, they will be switched on ladder with the next highest qualified person.

Buy backs \$10 for A&B will be run as a separate class with random pairings. Winners will run for a trophy. No points will be awarded for these rounds.

Payouts will be based on car count:

Class A (12-17) awards to 1<sup>st</sup> & 2<sup>nd</sup> Place:

10 cars or more \$100 to winner / \$50 to runner-up

9 cars or less \$75 winner / \$25 runner-up
